### **PRESIDENT'S MESSAGE**

This year's National Night Out is scheduled for Tuesday, August 4<sup>th</sup>. It will once again be held at Woodley Pool. National Night Out is a time for neighbors to get together and meet one another, talk with local police officers and firemen (who will drop by if they're available), and show support for our community against crime. Broyhill Park is coordinating with Raymondale, so residents of both neighborhoods will be in attendance. We'll have hot dogs on the grill, soft drinks, and a potluck dessert table, so you don't have to worry about dinner that night, just come on out and join your neighbors. I hope many of you will be able to attend. On another note, our 2015 membership drive is ongoing, so if you have not already paid your Civic Association dues, please consider doing so as soon as possible. Dues are only \$10 per household and are used to fund all Civic Association activities, including National Night Out and any other events we may have. Dues also pay for this newsletter and our website. Having an active Civic Association gives us a voice in local affairs. To date, fewer than 60 households out of the ±770 homes in Broyhill Park have paid this year. If you can't remember if you already

paid, contact our Dues Drive Coordinator (see page 2 for dues form and contact information).

### **BROYHILL PARK NEWS**

At their June 23 meeting, the Fairfax County Board of Supervisors approved a Community Parking District for all of Mason District. This means that certain types of vehicles are no longer allowed to be parked on public streets in Mason District. Prohibited vehicles now include boats, boat trailers, motor homes, camping trailers, and any other trailer or semi-trailer, regardless of whether it is attached to another vehicle. (Parking commercial vehicles such as trucks and tractor trailers was already prohibited.) During July, parking officers will place informational flyers on vehicles that would be affected by the new law. Enforcement begins August 1. Violators will receive a ticket for a \$75 fine and the vehicle may be towed at the owner's expense. To report a violation, call Zoning Enforcement at 703-324-1300. You can also call this number for unmowed grass, paving more than 1/3 of a front yard, and many other common zoning violations.

**THE GREEN SCENE**

Broyhill Park residents met at the triangle in May and began work on a butterfly garden to support monarch butterflies, which have declined sharply due to lack of habitat. Both milkweed and butterfly weed were planted, as these are prime monarch caterpillar food plants. We hope to continue work on the butterfly garden as time permits. Interested residents are welcome to participate.
